

Year 2017-18

## Students Feedback Analysis

### Observation:-

- 66% students are satisfied while considering the overall average of all the factors.
- Another major factor appreciated by the students in their feedback is the Seminars conducted in the college
- It has been pointed by the students that the library need to be upgraded.
- For the Quality of education, innovative teaching, availability of sports and Infrastructure adopted in the college, about 70% student gave positive feedback
- Value addition courses draw a positive feedback of 70% from the students

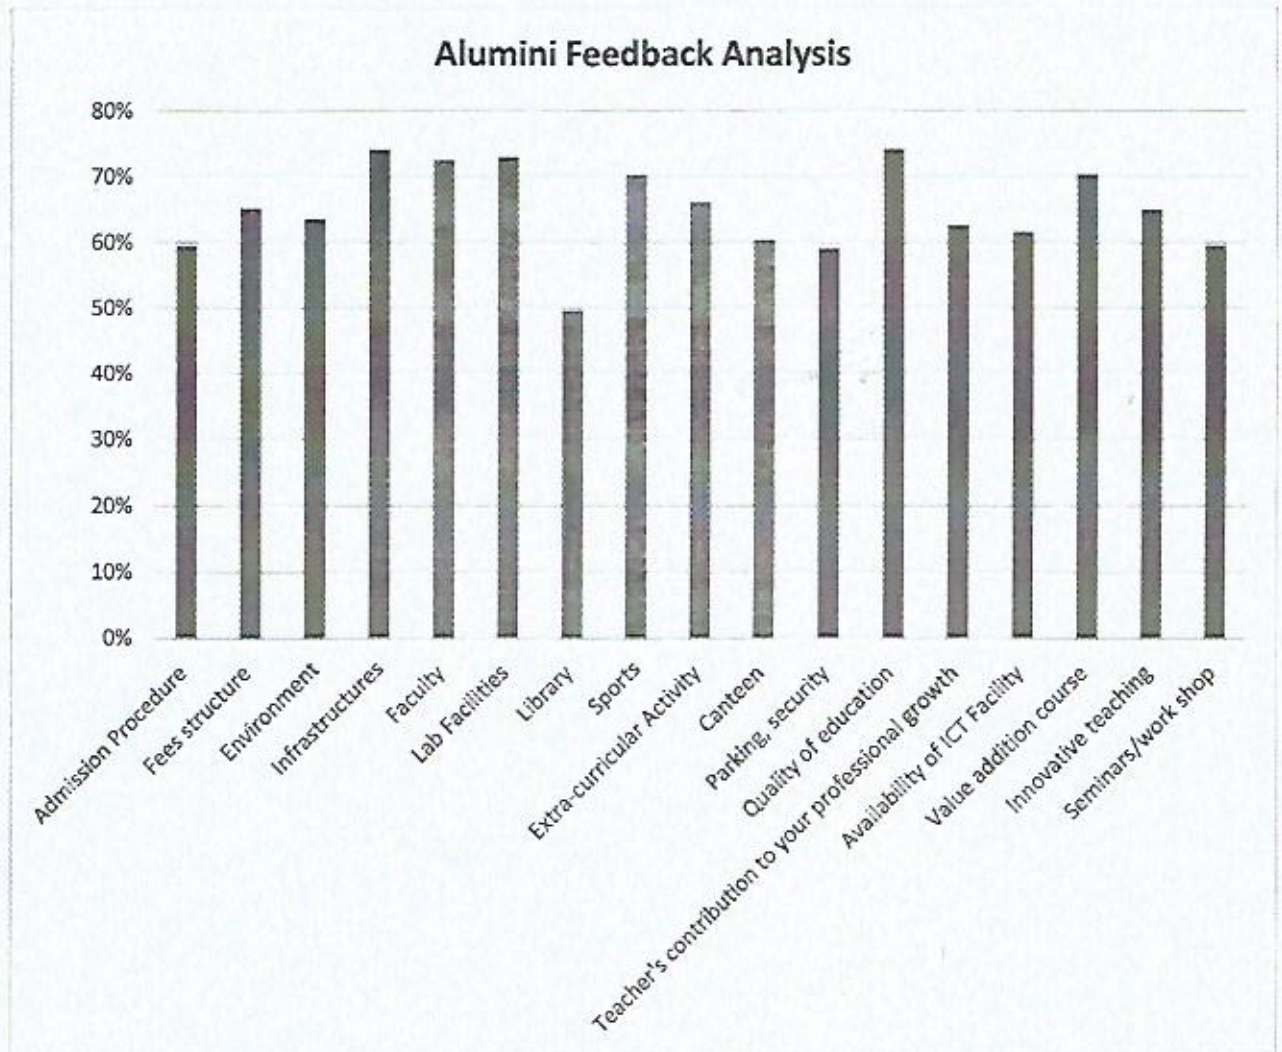

### Suggestion:-

- Action need to be taken to improve the facilities available in Library required to make E-library
- The admission procedure adopted by the college need to be reconsidered and restored to provide satisfaction to the parents as well as prospective students.
