Year 2019-20

Students Feedback Analysis

Observation:-

- Above 60% students are satisfied while considering the overall average of all the factors.
- Another major factor appreciated by the students in their feedback is approach towards student's questions
- Counseling draw a positive feedback of 72% from the students

Suggestion:-

- Action need to be taken to improve punctuality of all the teachers.
- Overall class control must be improved by all teachers.
