Execution:-

On Monday 02/07/2019, program started by 10.00 am. Total 30 Students & 2 Teachers of DLLE had participated and they planted total 50 plants.

The host Mr. Manoj Jadhav agricultural assistant gave introduction and need of organizing this type of activity. This tree planting program is a learning opportunity to get students involved in the environment and conservation of our natural resources. These Tree Plantation program connect students to the benefits of trees and foster environmental stewardship. Tree planting is a great way to increase student interest in their local environment and achieve academic goals.

Devpur villagers welcomed all the guest. The chief guest for this event was Tahsildar of Poladpur taluka Mrs.Prajakta Ghorpade madam, agricultural officer of Poladpur Mr.Kailas Dhumal, Social worker Mr. Dashrath Utekar and Secretary of Hirwal Education Trust Mr. Santosh Butala.

Honorable Tahsildar Mrs. Parajakta Ghorpade madam adressed all the students and villagers about importance of tree plantation. She said that “Most of us recognize the beauty of trees and their many other values. They help to protect our waterways by intercepting storm water, stabilizing soil and using nutrients that would otherwise wash into waterways. Trees help moderate temperature and muffle noise. They even help improve air quality by absorbing some airborne compounds that could be harmful to us, and by giving off oxygen.” Also agricultural officer of Poladpur Mr. Kailas Dhumal gave information about various schemes of Govt. provided for promoting agriculture.

After that all the guest and students planted trees. Then vote of thanks was given by Mr.Manoj Jadhav who is agricultural assistant. Activity ended by 12.30pm.

• **Outcome:-**

1. Students have participated actively.
2. Students were planted enthusiastically.
3. Students become aware that they can play a role in protecting the environment through personal involvement.
