Report on Project Guidance Lecture for T.Y.B.M.S Students

Date: 22nd December 2025

Venue: TYBMS Class

Time: 9:00 A.M.

Duration: 3 Hour

Organizer: Management Department

Introduction:

The Project Guidance second review Lecture for T.Y.B.M.S. students was held on Monday, 22nd December 2025 at 9:00 a.m. The session was conducted by **Mrs. Jyoti Poojary**, who guided the students regarding their final-year project work as per the University of Mumbai syllabus. She explained the project guidelines, topic selection process, guide allocation, internship-based projects, report format, and submission timelines. Students were also informed about research article preparation, plagiarism rules, and the importance of originality. The session helped students gain clarity and confidence before starting their project work.

Objectives:

- To explain the project guidelines as prescribed by the University of Mumbai for TYBMS.
- To inform students about the allocation of project guides.
- To guide students in selecting and getting approval for project topics.
- To explain the process of completing projects through internships.
- To provide clarity on project report format and Black Book preparation.
- To inform students about the project timeline and important submission dates.
- To guide students on Research Article preparation, presentation, and submission.
- To explain referencing styles, plagiarism rules, and originality requirements.

Detail Proceeding :

The Project Guidance Lecture covered all the important aspects of the TYBMS final-year project as per the University of Mumbai syllabus. **Mrs. Jyoti Poojary** guided the students regarding their final-year project work and clearly explained the project guidelines, including the scope, structure, and evaluation pattern.

She discussed the process of project guide allocation and advised students to maintain regular communication with their respective guides. Students were guided on selecting suitable project

topics and completing the approval process. The importance of completing projects through internships for practical exposure and effective data collection was also emphasized.

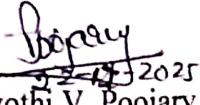

Further, students were informed about the correct project report format, Black Book preparation, and the importance of following the prescribed timeline and submission deadlines. Guidance was also provided on research article preparation and presentation. The session concluded with an explanation of plagiarism rules, referencing styles, and the importance of maintaining originality and ethical research practices.

Glimpses of the Project Guidance lecture Held on 22nd December 2025:

Outcome:

The Project Guidance Lecture helped students clearly understand their final-year project requirements. They gained clarity on project guidelines, internships, guide allocation, report preparation, and submission timelines. The session boosted students' confidence and encouraged them to work in a planned and disciplined manner while staying connected with their guides and maintaining academic integrity throughout the project process.
